EDUCATION

B.Tech CSE	2022-26	VIT BHOPAL UNIVERSITY	83.4%	
CBSE (Class XII)	2021	KV AMC, LUCKNOW	75.4%	1 st Division
CBSE (Class X)	2019	KV AMC, LUCKNOW	76.6%	1 st Division

ACADEMIC PROJECTS

LatteVerse

- Developed a fully responsive coffee-themed website featuring modern sections like Hero, About, Menu, Testimonials Gallery, and Contact.
- Implemented smooth scrolling navigation, interactive UI elements, and layout responsiveness for all screen sizes.
- Focused on clean, semantic HTML and reusable CSS classes to enhance maintainability and scalability.
- Strengthened front-end development skills by combining HTML, CSS, and JavaScript in a professional-style portfolio project.
- Tech Stack: HTML, CSS, JavaScript

Breakout-Behind Enemy's Line

- Developed a Multi-Level Escape Game in Unity 3D: Designed and implemented an engaging escape game with dynamic gameplay, set in an old-fashioned jail environment.
- Environment Design and Immersion: Created a realistic and atmospheric jail setting featuring intricate details of cells, corridors, and props to enhance the player's experience.
- Character and AI Development: Designed gameplay mechanics where the player (a lady) strategically avoids a pursuing jailer, implementing AI behaviors for dynamic interactions.
- Sound Design and Audio Integration: Managed the game's sound design, incorporating ambient audio, character footsteps, and tension building background music to enhance immersion.
- Tech Stack: C#, Unity 3D Engine, Sound Script, Blender
